MEMORANDUM

TO: Persons Interested in Learning A.I.

FROM: Tim Barnes

DATE: October 1, 2009

SUBJECT: A.I. Training Course

Southeast Select Sires will be conducting an artificial insemination school at Tennessee Livestock Producers in Columbia, TN on November 10-11, 2009.

The cost of the course is \$350.00 per person. If you plan to attend, please fill out the attached application and return it with your deposit of \$150.00 prior to the school deadline, **October 30, 2009**.

Please reply promptly—only a limited number of applicants will be accepted. Should the course be cancelled, the \$150.00 deposit will be refunded. **Should you cancel after the deadline, your deposit will not be refunded or returned.**

The training course will consist of classroom sessions and lab sessions on live cattle. Each participant will receive an A.I. Manual containing the contents of the training course: Anatomy and Physiology, A.I. Technique, Semen Handling, Heat Detection, and Estrus Synchronization. All the knowledge needed for a successful A.I. program will be covered in the course.

If signing up for the school, please note that you will need to bring rubber boots and coveralls. Complete details will be sent to you once we receive your application.
